- Foster agrees to provide a safe, indoor environment for the dog. Foster understands that the dog may not be housetrained or even accustomed to living indoors. Foster agrees to make a good-faith effort to assist with housetraining.
 Yes
- Foster agrees to feed, water, and otherwise care for the dog, to monitor the health of the dog, including transport to an approved veterinarian when necessary, and to administer any necessary veterinary medicines.
 Yes
- Foster agrees to give the dog heartworm preventative and flea/tick monthly. Foster agrees to keep record of when such medication is administered and to contact CCF to obtain additional heartworm and flea/tick prevention as needed.
 Yes
- Foster agrees to provide photos of the dog and a regular status report via e-mail correspondence to info@savealabnc.com. Such status reports will aid significantly in the placement of the dog into a permanent home by CCF's other volunteers. Basic information about the dog's health and personality should be provided. However, Foster agrees to contact CCF immediately in the event of any medical emergency, loss or theft of the dog, or any signs of aggression (growl, snap, snarl, or bite) toward any human or other animal. Foster will e-mail or contact representative by telephone.
 Yes

- Foster agrees that upon approval of an application for adoption by CCF, Foster will discuss the dog with any approved applicant. Foster is encouraged but not required to assist CCF in finding a good match.
 Yes
- Foster agrees to foster the dog until a suitable permanent home can be found or until CCF can make alternative foster arrangements. Foster understands that CCF has high standards for permanent homes and that the fostering period could range from one week to several months. CCF agrees to make a good-faith effort to find a suitable match as quickly as possible.
 Yes
- CCF agrees to provide the dog all necessary veterinary care through its approved veterinarians at its sole expense after approval. Foster agrees to contact CCF for approval prior to obtaining any veterinary care for the dog. CCF has the right to deny reimbursement for unapproved veterinarian expenses. All fosters should ensure that their personal dogs are up-to-date with their current vaccinations. We recommend that all dogs receive a bordatella vaccination to protect against kennel cough, which is a common illness with shelter dogs. Canine Compassion Fund is not responsible for any veterinary bills for resident pets.
 Yes
- Should an emergency arise, Foster agrees to obtain medical care for the dog after contacting a CCF representative for approval. CCF shall reimburse the Foster for justified emergent care that is pre-approved. Foster agrees to make a good-faith effort to obtain such care from an approved veterinarian if possible.
 Yes
- Foster will not permit the dog to run free, off leash, or participate in any other behavior that results in the dog being out of the immediate control of the foster. When outside, the dog will NEVER be staked or chained out, left in an outdoor kennel, or left unattended in a fenced yard.
 Yes
- Canine Compassion Fund retains all property rights over the dog. CCF may retake possession of the dog at any time or for any reason.
 Yes
- Upon physical transfer of the dog to Foster, Foster personally and voluntarily assumes all risks in connection with fostering the dog. Foster hereby releases and forever discharges CCF and its representatives from any and all loss, liability, actions, causes of actions, suits, claims, demands, damages or causes of any kind or nature whatsoever, which arise out of or are based upon any fact, matter, injury, damage, or claim arising out of this Agreement, the fostering addressed in it, or the dog. The Foster acknowledges that dogs are unpredictable and agrees to take all necessary precautions for the safety of the Foster, their family members and household, and the dog.
 Yes

CCF reserves the right to immediately remove and reclaim the dog from the Foster if any of the above conditions are violated in any way or if it is found that the dog is being abused, neglected, or mistreated.
